## About ITGL

ITGL is an award-winning consultancy, passionate about helping organisations adapt and thrive in the ever-changing digital landscape. We work in partnership with our clients to deliver success through Cisco's world-leading technology.

**Cisco Capital is ready to help you acquire the solutions you need while managing short-term cash flow and liquidity challenges stemming from the pandemic crisis.**

We can help you ensure productivity and maintain business continuity as your business adapts in the current environment by addressing new technology financing needs.

## Get the technology you need today to stay competitive

In this challenging business environment, managing cash flow and liquidity are critical for most organisations. But there is also a need to remain competitive by keeping your technology current. Through the 2020 Business Resiliency Programme, we can provide a path for you to get the technology your business needs, while preserving cash.

- **Maintain business as usual.** A 90-day payment deferral is available for all Cisco hardware, software, and services.
- **Relieve budget constraints.** Following the 90-day payment deferral, pay only 1% of the total contract value each month until the end of the 2020 calendar year.
- **Align payments to cash flow.** Beginning in January of 2021, remaining monthly payments will commence.
